Re: STB Ex Parte No. 582 (Sub No. 1)

Dear Mr. Williams:

Attached is a corrected Certificate of Service for the comments of The National Railway Labor Conference ("NRLC") in the above-referenced matter, filed in response to the Surface Transportation Board's Advance Notice of Proposed Rulemaking, dated March 31, 2000. The NRLC's comments were served on most parties on May 16, as I certified in the original certificate, but due to an administrative error, parties on the even-numbered pages of the April 27 service list were not served until May 19 or 20. All parties on those pages with a history of interest in the labor issues to which the NRLC's comments were directed now have a copy of those comments in hand, and the rest were served via first class mail on May 20. I apologize for any inconvenience my error may have caused.

Very truly yours,

Ross E. Davies
